EORI Number Checking and Applications (Economic Operator Registration and Identification scheme)

If you are a company and whether you are VAT registered or not, you will need to be EORI registered.

You can check if you are registered by clicking on the link below:

http://ec.europa.eu/taxation_customs/dds2/eos/eori_validation.jsp?Lang=en&redirectionDate=20110824

You will need to enter your VAT number with 'GB' in front and '000' at the end.

If you are not registered, you can apply for an EORI number through the link below:

<https://www.gov.uk/economic-operator-registration-and-identification-eori-scheme#how-to-get-an-eori-number>

The process usually takes approximately 3 working days.

Without an EORI number, your goods will not pass through customs.
